GUEST REVIEWS

We hosted our engagement party at Bank House recently in their private space upstairs and had the most wonderful evening. The space is beautiful with a private bar, and the vibe was perfect. The event was smoothly managed by Marcin from start to finish - everything was super organised and the night ran very smoothly and exceeded all expectations. The service from the team was excellent (no one ever had an empty glass!) and the canapés were also delicious. Couldn't recommend enough, we can't wait to come back. Thank you so much to the whole team involved.

We recently had our wedding reception at the Bank House. In the months leading up to the wedding, Marcin was absolutely brilliant in helping us to organise the evening exactly as we wanted it, which included putting together a bespoke menu for the occasion. The evening itself was perfect - wonderful food and extremely attentive service. We are so grateful to Marcin and the Bank House team and wouldn't hesitate to recommend the Bank House to those looking for the perfect intimate wedding reception venue.

Our second visit to this gem. Fab choice of wine and cocktails, food delicious and the staff are great, helpful and unintrusive. We will return.
